               Can you explain that a little bit more?
                                                             14 you see the entry on June 10th of 2009? It says,
15
   What issues, what troubles, what lawsuits?
                                                             15 "K. Nash"?
16
               Um, I think the main one was the lawsuit in
                                                             16

         Q.
               Do you remember who that accountant was?
                                                             23
                                                                            Yeah, both, I guess. At some point -- at

               I don't.
                                                             24 the end of it all, I believe -- I don't really know a
         A.

               Do you remember how Tommy Constantine told
                                                             25 lot about the Global Settlement Fund, to be honest.
